## **MEDICAL - EMERGENCY**

### **I. If you are experiencing a medical emergency:**

- 1) Call 911 and request the Fire Department.**
  - a) Station 26, 2970 Howell Mill Road.**
- 2) Call your neighbor.**

**It is known that the fire department is trained very well in, not only dealing with burns, but also with heart attacks, and other medical issues.**

**Atlanta is a big city and the Fire Department will most likely be able to arrive before the 911 operators can dispatch an ambulance and have it arrive at your location.**

### **II. Make sure your emergency contact information is:**

- 1) On record with CMA.**
- 2) On record with PPCA board of directors.**
- 3) With a trusted neighbor.**
